

PROCOUNTOR'S NEW FEATURES IN VERSION RELEASE 28.0

Details

New feature	
Invoice specific discussion	<p>We released a new discussion feature in Procountor and Mini. You can now have an invoice specific discussion on the invoice view, verification view, payment view, accounting view and dimensions view. The discussion is available for anyone who has the user rights to view the invoice. In the discussion view, you can also follow invoice status changes.</p> <p>To open the discussion view, select Discussion button on the invoice view. To close the discussion view, select <i>close</i> icon on the top right corner of the discussion panel. To update the discussion, select <i>update</i> icon on the left corner of the view.</p> <p>The discussion feature can be disabled or enabled in <i>Usage settings</i>. Disabling discussions will hide all discussion features from invoices.</p>
